*tenor*: 111-113 dans la source on lit « *Pillato* » au lieu de « *Pilato* »

# Remarques générales

Cette messe à trois voix est fragmentaire : il manque, en effet, le *Kyrie* en entier et le *superius* de la première partie du *Gloria* (« *Et in terra... Filius Patris* »). Son modèle est inconnu et difficilement identifiable à l'intérieur de la trame polyphonique. Toutefois, tous les mouvements — comme on l'a dit, le *Kyrie* manque — sont introduits par un motif de tête toujours identique (mes. 1-7). En ce qui concerne l'architecture formelle, l'écriture imitative est assez présente dans la messe entière et fréquemment elle aboutie à de véritables petits canons.

On signale l'attestation au f. 2<sup>v</sup> (en coïncidence avec le *Patrem*) du vers final du *Nunc Dimittis* (« *Lumen ad revelationem gentium et gloria plebis Israel* ») évidemment cité comme glose au verset « *Lumen de lumine* » attesté dans la même *charta*.
